

APPLICATION FORM FOR LONG-TERM TRAINING PROGRAMMES

Please fill in your own handwriting (do not type) (Tick your fellowship of interest Restrict to 2 choices for No.1)

1. Long Term Fellowship Programs

- a) Anterior Segment * b) Vitreo-Retinal Surgery
 c) Glaucoma* d) Cornea *
 e) Comprehensive Ophthalmology *

* a, c, d & e Includes training in Phaco-Emulsification

2. PERSONAL INFORMATION

- a) Full Name :
- b) Gender : Male Female Age : Date of Birth :
- c) Marital Status : Unmarried Married Children
- d) Willingness / ability to stay in Hospital / Hostel: Day Scholar
- e) Communication Address: Permanent Address:
 (with telephone, Fax Nos. & Email ID) (with telephone, Fax Nos. & Email ID)

II. PROFESSIONAL INFORMATION

1. MBBS :

Joining / Passing	College & University	Attempt(s) / Class

2. Particulars of Postgraduate Education:

Qualifications	Joining / Passing	College & University	Attempt(s) / Class

3. Permanent Register No. & Medical Council Name:

4. Additional Qualifications / Trainings :

III) PROFESSIONAL REFERENCES with Testimonials (Provide 3 Names & Addresses)

--	--	--

IV) MISCELLANEOUS

- a) Previous work experience:
 - i) General Practice in Ophthalmology:
 - ii) Employment in an institute:
- b) Medals / Awards:
- c) Conference(s) Attended:
- d) Papers presented / published:
- e) Research work done:
- f) Hobbies:

g) Languages Known :	<u>To Speak</u>	<u>To Read</u>	<u>To Write</u>
1	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
2	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
3	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
4	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

- h) What made you to apply for this fellowship, future plans and how this fellowship helps you:

The information given above is true to the best of my knowledge.

Date:

Place:

Signature:

Next batch Starting Date : July 2016

S No	Course Title	Eligibility / Duration		Salient Features
		MS / DNB	DO	
a.	Fellowship in Anterior segment	18 Months	24 months	Modern medical & surgical skills in subspecialties areas of Cornea, Glaucoma & Cataract including Phaco-emulsification & Anterior Segment Lasers. Candidates will be offered an optional advanced 6months program in either Cornea or Glaucoma at the end of the tenure with inclusion of Advanced Phaco-emulsification. Should take active interest in academic/ research projects as a part of the curriculum.
b.	Fellowship in Glaucoma	18 Months	24 months	Glaucoma fellowship would give training in basic and advanced diagnostic modalities by Clinical Evaluation with Gonioscopy, Computerized Perimetry, Imaging Techniques and other relevant investigations during the initial phase. The clinical decision making requires thorough understanding of the literature and its interpretation and application to individual cases. The surgical induction and training, grounded on strong clinical decision making fundamentals, would go into various conventional and newer filtration and laser procedures, along with phaco-emulsification. Study of literature & participation in clinical research would be an integral part of the training and candidates are trained to be able to contribute to peer-reviews publications.
c.	Fellowship in Cornea	24 months	30 months	Training in skills to evaluate and manage all types of keratoplasties, pterygium excision graftings, AMG transplantation, limbal stem cell transplantation, collagen cross linking. Last 8 months of the fellowship includes advanced phaco-emulsification training. Active interest in academic/ research project is mandatory for the fellowship.
d.	Fellowship in Comprehensive Ophthalmology	24 months	30 months	Comprehensive training in the subspecialties areas of Cataract, Cornea, Glaucoma, Pediatric Ophthalmology & Vitreo-retinal diseases including Phaco-emulsification Anterior Segment Lasers & posterior Segment Lasers. Attachment and growth into one of the subspecialties for specialized training and career upliftment can be considered at the end of the training.
